Sitewide homepage – new projects should auto-generate a news item

Gears picture from <http://www.flickr.com/photos/elsie/8229790/>

The screenshot shows a web browser window with the URL <http://192.168.1.105/projects>. The page title is "Projects - Redmine". The navigation menu includes "Home", "My page", "Projects", "Administration", and "Help". The user is logged in as "admin" and can access "My account" and "Sign out".

Projects

[New project](#) | [View all issues](#) | [Overall spent time](#) | [Overall activity](#)

- bzr-helloworld**
Hello World at its best.
- cubesat**
This is a demo cubesat project. It will orbit the Earth and do something cool.
 - cubesat booster**
Home of team who will contract a launch to LEO for the cubesat.
 - cubesat bus**
Chassis design, etc.
 - cubesat payload**
Home of CubeSate Payload Team. What is our payload and mission?
- git-helloworld**
- hg-helloworld**
- svn-helloworld**

The Windows taskbar at the bottom shows the time as 14:55 on 8/29/2010. An arrow points from the text "Host projects with sub-projects" to the "cubesat" project entry.

Host projects with sub-projects

The screenshot shows a web browser window with several tabs open. The active tab is 'cubesat - Overview - Redmine'. The address bar shows 'http://192.168.1.105/projects/cs1'. The page header includes 'Home My page Projects Administration Help' and 'Logged in as admin My account Sign out'. The main navigation menu includes 'Overview', 'Activity', 'Issues', 'New issue', 'Gantt', 'Calendar', 'News', 'Documents', 'Wiki', 'Files', 'Arch Decisions', 'Factors', and 'Settings'. The main content area is titled 'Cubesat Project' and contains a video player, a 'Latest news' section, and a sidebar with 'Spent time' and 'Important Links'. The sidebar also includes a 'Donate to this Project' button. The footer of the page says 'Powered by Redmine © 2006-2010 Jean-Philippe Lang'. The Windows taskbar is visible at the bottom of the screen.

Project Home page – public face of project

If featured, this block is what is shown on site homepage

The screenshot shows a Redmine project dashboard for 'cubesat'. The page is divided into several sections:

- Activity (Left):** A list of recent activity items, including 'cubesat payload - raw_data_sample.csv', 'cubesat payload - Document: Bill of Materials', 'cubesat booster - Design #2: Determine Orbit Parameters', 'cubesat bus - Arch Decision #2 (Not Started): Cubesat Size', 'Getting started', and 'cubesat booster - Design #2 (New): Determine Orbit Parameters'.
- Main Content (Center):**
 - cubesat:** A description of the project: 'This is a demo cubesat project. It will orbit the Earth and do something cool.'
 - cubesat booster:** 'Home of team who will contract a launch to LEO for the cubesat.'
 - cubesat bus:** 'Chassis design, etc.'
 - cubesat payload:** 'Home of CubeSate Payload Team. What is our payload and mission?'
 - Issue tracking:** A summary of issues: Bug: 0 open / 0, Feature: 0 open / 0, Support: 0 open / 0, Design: 1 open / 1, Fabrication: 0 open / 0, Test: 0 open / 0.
 - Members:** A list of users: User 1, User 2, User 3, User 4, User 5, User 6.
- Sidebar (Right):** A list of activity filters: Issues, Changesets, News, Documents, Files, Wiki edits, Messages, Spent time, Arch Decisions, and Subprojects.

A blue box highlights the 'Members' section, and a black arrow points from it to the 'Issue tracking' section. A text box on the right asks: 'Include percent complete progress for each sub-project and main project?'.

Dashboard – List of activity and other summary info; look at adding a budget summary block to this page

Forum list (forums managed in project settings)

The screenshot shows a web browser window with the URL `http://192.168.1.105/boards/1/topics/1?r=5`. The page is titled 'cubesat' and is part of a forum. The main post is titled 'How are you' and was added by 'Redmine Admin' 4 minutes ago. The content of the post is 'It does have a forum. And I can attach files to posts/comments.' There are four replies, each added by 'Redmine Admin' within a few minutes. The replies contain the text 'Great!', 'Woot!', and 'Redmine Admin wrote: | Great! This is great, isn't it?'. The most recent reply, added 'less than a minute ago', contains the text 'look at my test data, please.' and an attachment named 'raw_data_sample.csv (394 Bytes)'. The attachment is circled in red, and a black arrow points from the caption below to it. The browser's taskbar at the bottom shows various application icons and the system clock indicating 15:51 on 8/29/2010.
